

News from CTIF

New CTIF office in Slovenia.

- The new CTIF office in Ljubljana was opened May 1st.
- It is run by The Slovenian Fire Protection Association.

Delegates Assembly Villach July 12th

- The CTIF Sport Competitions will be arranged in Villach July 9th – 16th
- Executive Committee meeting July 10th – 11th
- Election of one vice president.

New Commission

- Fire investigation will be a new CTIF Commission.

Commission work

- Most commissions are working very well.
- But some have problems. Among them Health Commission and Training and Education.

Economy

- The executive committee has gone through the economy of CTIF.
- Result: CTIF has a very good economy. With more reserves than needed.
- The committee has decided that there now is possible for commissions to get economic support for their work.

New members

- Iran
- South Korea
- Iceland has been given one year free membership. After a proposal from nordic countries. They can meet in all commissions.
- The number of associated members is also growing.
